“Shorthorns of Merit”

Announcement

The Sni-a-Bar Farms herd of Shorthorns has been developed by the W. R. Nelson Estate under the supervision of Mrs. Irwin Kirkwood as trustee. In compliance with Mr. Nelson's will, upon the death of Mrs. Kirkwood the management of the estate is vested in three trustees appointed by the presidents of the universities of Missouri, Kansas and Oklahoma. William Volker, J. E. Nichols and Herbert V. Jones, all of Kansas City, were appointed university trustees.

There has been no change made in the plan to continue the development of an outstanding herd of cattle, selected on a basis of individual merit and usefulness combined with the most popular pedigrees. The Sni-a-Bar Shorthorns will be shown during 1926 at the leading state fairs and livestock expositions.

The bulls consigned to the second annual sale are an exceptional lot. No better opportunity has been offered in recent years for choosing a herd bull from so many outstanding individuals. The females are truly representative of the standard set by Sni-A-Bar Farms in improving the breeding, quality and type of Shorthorn cattle.

Sni-A-Bar Farms herd is accredited No. 52940.

Terms and Conditions

Cows with calves at foot are considered proven breeders. All other females over 16 months of age on the date of sale are guaranteed breeders.

Certificates of registry and transfers of ownership, as well as applications for calves at foot or in dam will be furnished with each lot sold.

The failure of any animal to meet this guarantee should be reported within 60 days from the date of sale.
